

West Virginia ELR Profile as of Jul15

The information contained in this profile is a summary of the information you provided the ELR Implementation Support and Monitoring team and the national ELR information collected from all other jurisdictions. The report is divided into three sections:

- o West Virginia's information compared to national averages
 - o West Virginia's labs by ELR format and disease category
 - o List of West Virginia's laboratories, with each lab's ELR status
- If you have questions or additional changes to this information after you review the profile, please do not hesitate to contact elrstatus@cdc.gov.
